The actual number of persons paying dues is much, much less.

National Association of Women Lawyers Annual Meeting, July 31-August 1, 1980. Hawaii Women Lawyers will host a welcoming reception for the National Association of Women Lawyers on Saturday, August 2, 1980, at the Kaimana Beach Hotel, 3:00 to 5:00 p.m. The cost will be \$7.50 per person which includes one drink and pupus. Hawaii Women Lawyers and their guests are all welcome. We need an approximate head count for the hotel so that adequate food and services will be available. Please return the coupon below either by mail to the Hawaii Women Lawyers address or to the court jacket of Sherry Broder. The reception will give us an excellent opportunity to exchange ideas with other women attorneys from all parts of the mainland and in all areas of practice. We look forward to a big turnout by both Hawaii Women Lawyers and the National Association of Women Lawyers. The reception is being calendered by the American Bar Association as one of the activities taking place during the American Bar Association convention and is also being announced to all members of the National Association of Women Lawyers.

Election for Prosecuting Attorney. HWL member Adrienne Sepaniak King is the only women attorney seeking election for the newly-elected office of Prosecuting Attorney. Persons interested in helping her campaign may contact Sam King, Jr., Campaign Manager, at 524-8263, or Adrienne directly. A fundraiser for her campaign will be held on Thursday, July 31, 1980, 5-7 p.m., Ala Moana Hotel, Hibiscus Ballroom, \$50 donation. Since this is an island-wide campaign, substantial financial backing is necessary. If you are unable to attend the fundraiser, any contribution would be appreciated.

Hawaii Legal Auxiliary was established over 20 years ago for the purpose of cooperating with the Bar Association of Hawaii in maintaining the dignity and honor of the legal profession and respect for the judicial process. Towards this purpose, the Auxiliary has been involved in educational programs, community service and social services. The Auxiliary extends an invitation to all spouses of attorneys who are members of the Bar Association of Hawaii (regular and associate) and military attorneys to join. By becoming a member, you will have an opportunity to become acquainted with those associated with the legal community and to participate in its endeavors. Please contact Ginny Maciszewski, Membership Chairman, at 261-5982.

Directory of Women-Owned Businesses in Hawaii. Associated Women Entrepreneurs is compiling a directory of women-owned businesses and will include a special section on doctors and lawyers. Hawaii Public Broadcasting Authority. Hawaii Women Lawyers was asked to assist in the monitoring of several television programs on KHET, Hawaii Public Television. Rai Saint Chu, Patricia Devlin, Maiden Temple, Beverly Wee and Cynthia Yee participated.

Hawaii Women Lawyers Survey. Of the 245 copies mailed to members, we have received approximately 100 responses. We now face the task of compiling all the information and hope to have some preliminary data by August 1, 1980. Thanks to all those who participated in the survey!
